NPIC NOTICE  
NO. 1-130-7

ORGANIZATION  
21 November 1962

REORGANIZATION OF NPIC

1. The reorganization of NPIC, with the exception of the proposed Photographic Analysis Division, will become effective 26 November 1962. Accordingly, the Requirements Staff and Photographic Analysis Staff will be abolished and their missions, functions, and personnel assigned to the newly constituted Operations Staff. The Data Management Division will be abolished and its mission, functions, and personnel assigned to the new Collateral Support Division and Production Services Division.

2. Pending the outcome of discussions with the Department of Defense concerning the activation of an NPIC Photographic Analysis Division, all photographic interpretation personnel will remain assigned to their departmental components until further notice.

3. Details of the reorganization are shown on the three attachments as follows:

Attachment No. 1 - Organization Chart
